

"Lies"

Oh it drives me mad  
That's the place I never had  
Looked straight through it all through those nights

Did I go too far?  
If I said I did, I'm lying  
Pray to God this happens every time

Well I thought there was nothing to feel then I touched pure gold  
(pure gold)  
Please don't say it can't last, I don't care if I've just been sold

Or maybe it just thinks I'm blind  
And if I drown well I don't mind  
And I don't care if it takes time  
To realise my dream of slime  
Should lie and say my card's declined

Yeah you started this  
The first moment it kicked in  
Its all over now, so I'm over me

Can you get me in?  
Swimming laps around a pill  
I'm seeing things I want to believe

Well I thought there was nothing to feel then I touched pure gold  
(pure gold)  
Please don't say it can't last, I don't care if I've just been sold

Well maybe it was on my mind  
I'm acting like I told a lie  
The kind that makes the day unwind  
I'm not about to say goodbye  
I'll lie and say that you were crying
